Work Experience

Software Developer Intern | Indian Aviation Academy **Jan, 2025 – May, 2025**
Tech: - Django Framework, SQLite3, HTML, CSS, JavaScript, Python

- Worked on Web App development using Django, with emphasis on database integration and logic implementation.
- Collaborated with the technical team to enhance system functionality and improve user experience.

Web Developer Intern | TheBlackPearls (Online Internship) **May 20, 2024 – June 20, 2024**
Tech: HTML, CSS, JavaScript

- Assisted in developing and maintaining responsive web interfaces using HTML, CSS, and JavaScript.
- Gained practical experience in real-world web development workflows through remote collaboration and task-based contributions.

Web Developer Intern | TheBlackPearls (Online Internship) **May 15, 2024 – June 15, 2024**
Tech: HTML, CSS, JavaScript

- Built and integrated frontend and backend components for dynamic web applications using modern web technologies.
- Enhanced skills in full stack development through practical exposure to both client-side and server-side programming.

Projects

IAA_CRM (Contract Management System) | Django, SQLite, HTML, CSS, JavaScript
- Built CRM for Indian Aviation Academy with user roles, auto-login, version control & alerts.
- Integrated contract renewal reminders and digital signature functionality.

Training Feedback System | Django, SQLite, HTML, CSS, JavaScript
- Developed a feedback system to gather responses from trainees post-training sessions.
- Implemented role-based login and dynamic event linking with admin-side analytics display.

Invoice Generator | Django, HTML, CSS, JavaScript
- Created a dynamic invoice generation system for training-related billing in PDF format.
- Supported itemized entry, tax calculations, and invoice history tracking.

Certificates

C Language
